DEDICATION

To All Beloved Parents

We want to express our great appreciation to all of you who have sacrificed for so many years to make our education at St. John's School for the Deaf possible. It must have been hard for you to send us away when we were still little more than babies. It was hard for us to understand why we were sent a "thousand" miles from home to stay. As we grew we learned to love St. John's and understand your special love, care and concern for our future which prompted you to send us to this wonderful and beautiful school - our home away from home.

Thank you

IN MEMORY OF SISTER M. FLORETTA

After spending 14 years at the Nebraska State School for the Deaf, Sister M. Floretta attended St. John's School for the Deaf from 1909 to 1914. In 1918 she entered the Sisters of St. Francis of Assisi and spent 35 of her 51 religious years working at St. John's School for the Deaf. She did many different jobs here - she taught sewing, ironed clothes for the small children, served food for the Sisters and even helped find clothes for the needy children at St. John's. Sister Floretta passed away on January 3, 1973 at the age of 80.

SENIORS

To the Class of 1973

All of us here at St. John's, faculty, staff and student body, wish the Class of 1973 God's blessings in all their future goals.

We will long remember the Class of '73 as our all girl graduating class, and the class that broke the tradition of the usual Senior Class trip. The beautiful week long cruise on the Norwegian Carribean Line STARWARD, stopping at Haiti and Jamaica will long be remembered.

This small class sparked a successful promotion to provide a Christmas gift for the school of $2,500.00. The Class of '73 shall be remembered for the planning and arranging of the beautiful "Blue Hawaii" Prom night in our new recreational facilities.

However, as we recall the highlights in the life of the Class of '73, they shall always be remembered for their interest, love, hard work and loyalty to St. John's.

May the spirit of love and honesty reflected in your lives here at St. John's be continued and deepened in your lives away from St. John's.

Be assured of a constant remembrance in our prayers at daily Mass, in the Chapel where you came for so many years to pray and give thanks to the Lord. May God be with you and may you always be a credit to those who love you so deeply.

CLASS PRESIDENT'S MESSAGE

It is time to say farewell to all of you. As president of the class of 1973 I want to say a few words.

Let us go back to 1957 when Gretchen Buehler, Debra Shaughnessy, and I entered St. John's School for the Deaf. The building was old, like an old castle of the 19th century. We've been here for sixteen years and we've been classmates year after year. We have lots of memories of the old building. To us it was "Home, Sweet, Home."

In 1958, Christy Hron, who has now been here for fifteen years, entered St. John's. In 1965 she joined us as a classmate and will graduate with us this year.

As freshmen, our class was large - there were ten of us. Some of these students graduated last year and some transferred to other schools.

In September, 1971, a new girl from Detroit, Michigan, Tanya Dunigan, came here as a junior.

This year, our last year, there are five students. Within these four years we have had lots of wonderful memories: the prom, Christmas play, Class night, Sports night, and other extra curricular activities.

I, for all of the seniors, want to thank all of you for teaching us, guiding us, advising us. It is hard to put into words our feelings of appreciation to everyone who has in any way made our education here possible. We hope, too, that we have not just taken, but have also given through our school spirit and example.

Now, I know we are going to miss all of you: students, faculty, staff, Priests, Sisters, lay people - everyone! We're certain we'll remember you forever and ever.

Good luck to you, my fellow seniors, in whatever you do. Especially, I hope you will find success and happiness in the future.

Farewell!

I was born deaf in Detroit, Michigan. I entered the Detroit Day School for the Deaf when I was three years old. I stayed there for fourteen years when I graduated as a freshman in June, 1970. As a sophomore, I went to Chadsey High, an oral school. But, in September 1971, I transferred to St. John's School for the Deaf. There, for the first time, I lived in a residential school far from home.

Getting used to living away from home was a little difficult for me. I soon learned that the staff and the deaf students were helpful and kind. I gradually learned how to become a responsible person, able to use judgment and self-control. I have learned much at St. John's School for the Deaf. It is the best school and can't be beat. I know, from the program of learning I have received, that I will have many wonderful and successful years in life.

3rd ANNUAL INTRAMURAL CROSS COUNTRY CHAMPIONSHIP

Once again the annual intramural cross country championship was a success. Twenty-five boys comprised the five teams and the "TURTLE GANG" won the competition. Larry Menna won the individual championship. All the boys courageously completed the grueling two-mile run after training two weeks for it. Trophies were given out to the winners.

VARSITY

During the basketball season our boys practiced their fundamental movements. At every game they showed a lot of improvement. We are lucky that all of the boys will return this fall in order to develop more skill and experience. Our gym will be finished during the summer so we can start to practice basketball early next season.

The best game our boys played was against St. Rita's School for the Deaf here on February 24, 1973. The score was pretty close, 59 to 58. We finally won our game against St. Rita's since we have a high school basketball team.

JR. VARSITY

A new crop of excellent players from the 7th grade classes provided most of the material for this year's J.V. basketball team. With Jim Muehlbach leading the way the J.V. managed to even their season record, 5-5, at the Oklahoma Recreation Center.

In the Knights of Columbus Tournament our boys produced a rare feat: they endured 4 overtimes before losing a heartbreaker to Holy Family, 51 to 54.

Jim Muehlbach was the high point player in every game. He proved his worth by doing excellently in the Oklahoma Recreation Center All-Star Game. Without doubt he will contribute valuably to the Varsity team next year. The rest of the team will be back and chances of a winning season are strong in lieu of experience, height and speed.

The play "A Christmas Star" was presented by an all high school cast. It was a story about a little golden star who was seeking for someone's heart to shine. Mother Moon sent the little star into the Wonder Entry which meant earth. The little star entered the toy store and it found the little boy named Paul. Paul had begged his mother to buy one little golden star to put on top of the Christmas tree. At the end of the story, Paul was very ill and the star had won his heart. The real star was living and shining forever in the sky.
